INGREDIENTS

- 4-inch (10 cm) piece kombu
- 1½ cups (20 g) katsuobushi
- 2½ cups (600 ml) water

Dashi Broth

1. Add the water and kombu to a saucepan. Let soak for 1 to 2 hours.
2. Put the pan over medium-low heat and bring to almost boiling. Remove the kombu.
3. Add the katsuobushi, remove from the heat, and steep for 5 minutes.
4. Filter the broth through a conical strainer.
